

Grooming guidelines as set out by the CFCG. [www.cfcg.org.uk/coronavirus](http://www.cfcg.org.uk/coronavirus)  
During this current lockdown there may be reasons for your dog or cat to need a professional groom. **Criteria along with your pets grooming history will be taken into account when making this decision. If none of the reasons stated below apply to your dog/cat at this present time then please postpone your groom.**

- A professional groom has been recommended by my vet
- My pet has lots of matts/heavy coat causing discomfort
- My pets groom cannot be delayed without affecting their welfare  
Please state \_\_\_\_\_
- My pets breed/cross breed is prone to matting and delaying their groom will cause unnecessary discomfort
- My pets behaviour does not allow me to maintain their grooming at home
- My pet has skin condition/allergies that requires regular cleansing, or their coat to be kept to a shorter length
- My puppy requires grooming and socialisation for their on going welfare
- My pets nails are overgrown causing them discomfort

I understand only essential journeys are to be taken, the journey I am taking is essential for my pets welfare.
